Yes. The wellsite evaluations folder is finished.
The yo-yo continues. I got a call back and sampling was put on hold. ☺

Ok, did you finish wellsite evaluations? The last one I have only has the private water supply folder. Good luck tomorrow-

Actually, the last file I sent you was the latest one. I had an appointment I had to go to and then I was notified by Rupert to start packing and prepare for mobilization tomorrow.
Thanks,

Hi Suddha-

When you get done for the day can you post your excel file to the ftp site in the Dimock File Review folder? I'm going to combine things tonight if I get a chance.

Thanks-
Steph
